Strategic Partner

**Michigan LearnPort®**, a division of Michigan Virtual University® (MVU®) is the state's K-12 community's access high-quality online courses and resources, to meet professional development requirements, earn SB-CEUs and more.

### WE HAVE COURSES AND RESOURCES

The **Michigan LearnPort** web-based professional development delivery system was created in partnership with **MVU®** and the Michigan Department of Education

Relevant online professional development courses offer up-to-date best practices and help teachers and administrators face everyday challenges and maintain their certificates with free SB-CEUs.

### WE SUPPORT PROFESSIONAL LEARNING COMMUNITIES

Using the Collaboration Center, educators can share resources and communicate with others. In these virtual community rooms, users may email, join discussion forums and chat rooms, and schedule group events on a shared calendar.

### WE OFFER ISD/RESA AND LOCAL DISTRICT ADMINISTRATION OPTIONS

Administrative tools and extended reporting capabilities are available to designated users at the ISD, district and building levels. Using these tools, administrators or designees can:

- Manage registration of new employees.
- Assign or enroll individuals or groups into courses based on school improvement initiatives or other need areas.
- Create surveys, build specific resources, turn workshops into sustained learning, and manage communication and collaboration.
- Track learning progress throughout the organization through a variety of reports.
- Develop and manage data for the Registry of Educational Personnel (REP) for reporting yearly individual professional development.

**Michigan Virtual University** is a private, not-for-profit Michigan corporation established in 1998 to deliver online education and training opportunities to the citizens of Michigan. It is the parent organization of the **Michigan Virtual School™ (MVS™)** and the **Michigan LearnPort** professional development portal.
